Travel, Floods, Speaking & More Travel...

We stopped by a very interesting monument in Antrim County, MI that marks the 45th parallel (half way between the equator and the north pole). I (Dan) visited the People's Church in Kalkaska, MI on September 4th. I (Dan) had a chance to go to a MSU football game. On Sep-

Monument at 45th parallel

tember 18th, I (Dan) spoke at Restoration Station in Port Huron, MI focusing on Pada's ministry and how it will relate to the new ministry that Pastor Dennis & Heidi Cook are beginning called Numbers to Names (N2N) that plans to interface with several of the groups that work in the red light districts of Bangkok. On September 25th, I (Dan) spoke at

Whiteford Wesleyan Church in Ottawa Lake, MI. I shared a

message called, "Extreme Makeover: God's Home Edition" about how God wants to change us to be like Him. After the service was an international banquet followed by communion and prayer. The entire time that we have been gone from Thailand so far has seen some of the worst flooding in more than 50 years. It is a terrible natural disaster that is having a huge impact on many people's lives. It is expected to reach Bangkok by the end of October.
